

Green Code KIDS

A banking package for children

Banque Raiffeisen offers a range of solutions for your children's future projects and needs.

Green Code KIDS classic savings account

The Green Code KIDS savings account allows you to build up a risk-free cash reserve to get your child ready for his soon to come adult life.

- Highly attractive interest rates
- Money held for children until they reach majority
- Make free of charge deposits at any time
- No account management fees

R-PlanInvest investment funds savings plan

Allow your children's savings to keep pace with the financial markets through our investment funds solution, an alternative way to save.

- Flexible, transparent and tailored to your needs
- A range of funds, depending on how you want to invest
- Diversified savings

Life insurance R-Protect

R-Protect allows you to build up savings for your children and protect them in the event of your death.

- Lump-sum payment to named beneficiary when the policy matures
- Security if the insured party dies
- Annual tax reductions of up to €672 per household member
- Orphan's annuity (optional) : the capital or an annuity is paid until your children reach the age of 27 to cover their everyday needs
