UNIQUE IN LUXEMBOURG VISA CARDS THAT PLANT TREES

Thanks to our sustainable Visa credit cards, which are unique in Luxembourg, we can fight together against the damaging effects of climate change by planting trees in Luxembourg and Bangladesh.

200 TRANSACTIONS = 1 TREE PLANTED!

For every 200 transactions made using any of our sustainable Visa credit cards, Banque Raiffeisen commits to planting 1 tree in collaboration with the foundation Hëllef fir d'Natur from natur&ëmwelt and Friendship Luxembourg.
